

**JUNIOR SUPERLEAGUE &
THE WOODEN FLOOR COMPANY
SENIOR SUPERLEAGUE FINALS DAY**

MARGARET MCCORMACK

ULSTER HOCKEY PRESIDENT

Hello and welcome to the finals of both the Junior Superleague and The Wooden Floor Company Senior Superleague.

I would like to congratulate all the teams on reaching this far and wish them the best of luck for their fixtures today.

Thank you to Lisnagarvey Hockey Club for once again providing us with their magnificent facilities and their continued support.

A further thank you goes to all our match officials and technical teams who will play an important role throughout today.

It is also important to acknowledge the support that all the parents/guardians provide in fulfilling their role as taxi drivers and who it wouldn't happen without.

A final thank you goes to our Sponsors The Wooden Floor Company. The Support which they have provided over the the last couple of years has made this all possible and we at Ulster Hockey are extremely grateful.

RICHARD SNAPE

THE WOODEN FLOOR COMPANY

"It has arrived the Wooden Floor Company Superleague finale!

We've laid the groundwork for an epic showdown. As your favourite teams battle it out, remember, just like our floors, to win you need balance, resilience, and a style .

Enjoy the game, and may the champions "floor" the competition both fairly and sportingly - the superleague may be at an end but remember The Wooden floor Company is still here for your flooring needs in Belfast and Lisburn."

We are delighted to be in the first ever Ulster Superleague Final for U14s. It's been a busy season so far, but the standard of hockey has risen to a new level as a result of this well organised competition. The girls have loved playing at Lisnagarvey HC on the water based pitch and look forward to playing Friends School once again this season in what should be a very good match.

Many thanks especially to Mrs Dickson and Mrs Heasley from the Ulster Schools' Hockey Committee for all their hard work in the background, the UHU umpires who have given up their time for these matches, Lisnagarvey HC for use of their top class facilities and to the UHU staff for preparing the semi finals and finals."

The squad have enjoyed the Superleague to date, having played tough opposition along the way including Friends', Victoria, Rainey and of course Portadown College in the group stages so we feel well prepared for Wednesday's final.

The newer members of the squad will be eager to take their opportunity to impact the match, and I know the more experienced members of the squad are keen to continue to add to RSA's hockey legacy. The fact that the match is being played at Lisnagarvey HC, under lights will be a new challenge, but one that the girls are looking forward to.

Annie Cunningham (Co-Captain) : We have started the year off well with positive results which all comes down to the dedication and hard work that the girls put into training week on week to hopefully make this another successful year following on from last year.

Ellie Stevenson (Co-Captain) : We are all very much looking forward to the final and the excitement it brings. All our training up to this point has been building up to this match. As a team we love playing in big games and the challenge it brings and we couldn't be more ready for this one.
